Note from the Elders...

Our elders will be visiting all of our adult Bible classes over the next few weeks. They would like to hear everyone's thoughts regarding this year's theme and, as we look towards next year, how we can continue "Growing for Him."

Questions:

- 1) What areas of strength, talent, interest, or ability do you see in our congregation as a whole that might indicate ways in which God has equipped us for a specific ministry area?
- 2) What would you identify as the top three needs in our community?
- 3) Is there anything that we need to improve or any specific resource we need to add that would increase/enhance our effectiveness in a given ministry area?
