

## Fellowship of Believers

**Objective:** The kids will know what it means to have fellowship of believers like the apostles did during the last supper with Jesus.

**Materials:** Crackers, grape juice, crayons, pencil, worksheets, and Bible

**Lesson:** Here are some questions to get started for the lesson.

- What does fellowship mean to you?
- When do we have fellowship?
- Why do we have fellowship?
- What do you call the meal that you have in the morning?
- How many meals do you usually eat during the day?
- Do you remember what you ate yesterday?

We are going to talk about the last supper.

- What is the last supper and why was it called the last supper?
- Who was there at the last supper?

Now I want you do read from Luke 22: 7-23. Review what happened. Here are some review points

Jesus asked the Disciples to remember Him

- Jesus had His Last Supper on earth with His Disciples because He loved them very much.
- Jesus loves us very much too.
- We remember and think about people we love.
- During the Last Supper Jesus had with His Disciples, He asked them to remember Him.
- Actually, He asked them to remember Him in a special way.
- Jesus gave them a sort of picture to remember Him by.

Then read Acts 2: 42-47. Each one talks about fellowship and breaking bread together. What are the similarities of each bible verse. Why is it important to have fellowship with each other. How have you showed fellowship since the COVID-19

and having to stay at home. What has that meant to you. Discuss each of these things with your family.

**Activity:**

Show the kids how we break bread and drink his cup with the crackers and grape juice. Explain to the kids the meaning of breaking bread and drinking the cup. There are also worksheets attached to help with the lesson.
