In Sight - The Elders

"Let us fix our eyes on Jesus"

Jim will continue his lesson series this week on "Roots: Old Testament Lessons for 21st Century Families"!"

Sunday night we will have our "3rd Sunday" family life group service in the fellowship hall. Since the disastrous Sir's fire disrupted our regular schedule this past Sunday this will be our first meeting using this format. This will be a real opportunity to get to know some of our members better and to study with your entire family. We hope you will participate.

The guest speaker for our 4th Sunday night (February 25th) this month will be Steve Baggett, who is the minister at Walnut Street Church of Christ in Dickon, Tennessee.

As was announced last week, Ron Kerbo has stepped out of the leadership at Washington Street. We want to thank him for his many years of faithful service here as a deacon and elder. His hard work, dedication, rational thinking and love for the Lord are an encouragement to all of us.

If you aren't signed up for text message alerts it's a good way to stay informed about situations and events, as they happen.

Youth News

Hey everybody! Thank you guys for being patient with me this week, as I didn't feel well. Thank you for all the texts and prayers. I cannot wait to see what God has in store for us this week.

There will be Coffee House this week at 7 pm. This event is a chapter-by-chapter Bible study, time of prayer and games. Girls' devo will more than likely resume this week. Anna Catherine will text you guys if it is happening. There will be Boy's Devo at 7 pm at my home. This is a great time to develop relationships and ask questions about God or the Church.

This Saturday, February the 17th at 9 am, we will be having the Sweetheart Banquet. We will be serving breakfast for the OWLs and anyone else who would like to participate. Students there will be a sign up in class on Wednesday Night. We are excited to serve and mingle with everyone on that day!

We will be having a SAC this Sunday Night. Bring a friend and we will have some great fellowship!

Be in prayer this week for our students. We have a great group of kids, and are a light in our community. Pray for their witness to be strong and for God to fan the flame of their Faith. If you see one of them, encourage them and pray for them then and there.
