Message from our Elders...

This week marks the beginning of James Mosley's service as our new youth minister at Washington Street Church of Christ. We welcome James and his fiancée (Caylie) to our church family and we look forward, with great anticipation and excitement, to their service to the Lord here at Washington Street.

This week (July 12th) we had intended to try to have Sunday School classes begin. However, it became clear to us that we were not as ready to provide a clean and safe environment as we originally believed we were. We are currently planning to try to begin Sunday School classes on the 19th, but things may change to prevent that or alter present planning. We pray for your patience and understanding as we try to navigate making sure we have the ability to clean and disinfect appropriately and provide teachers for the classes that will meet.

This week we will have a guest speaker Chris Doughtie from the Tennessee Children's Home. He will speak at both services this week. We look forward to a good message from Chris.

This week also marks our Church Camp held at Camp Joy. Preparations for camp were ongoing into the early morning hours of Thursday to ensure that campers will have a great camp experience. Thanks to Keith Kilpatrick and all of those who are helping with camp.

Please continue to be in prayer for our church family here and in Honduras during this difficult time. Who knows what our new normal will be; but one thing is certain, God will provide a way for his people. The Philippians letter leaps to mind. "I can do all things through Christ who strengthens me." Philippians 4:13 and "And my God will supply every need of yours according to his riches in glory in Christ Jesus." Philippians 4:19
