Message from our Elders...

We are encouraged by the attendance numbers on Sunday morning since we began worshiping back at the church building on May 31st. We ask for your continued patience during this interim time of the two-service format. We continue to pray for the reduction of active COVID-19 cases in our community and are certainly thankful no one that we are aware of in our congregation has been diagnosed with the disease. We want to make sure everyone knows they are welcome to return to worship services when they feel like they are ready. We are currently considering how and when we will begin meeting for Bible classes again on Sunday mornings. We are encouraged that many of our adult classes have recently begun meeting again on Wednesday night, and are also taking steps toward the children's classes being able to start back up soon as well. Please continue to pray for our congregation, community, and nation during these trying times.
