## Thank you...

June 22, 2019

Words are often inadequate to express one's appreciation for the love and care extended by others when dealing with illness or loss. But the written word can reach many through a church bulletin or email. Please except our thanks for the many calls, cards, visits and prayers both of us have received during our recent medical challenges.

Your love for others, especially during times of need, are a distinguishing feature that makes the WSCOC family so very special. We are grateful for your love, which has been lovingly extended to us; it fuels our desire to be with you at every opportunity.

In Christian love,  
Jill and Jim Roark
